

## FULL STACK DEVELOPER

# RUTUJ GOPALE

### PROFESSIONAL PROFILE

I am a Full-Stack Developer specializing in building innovative web solutions using the MERN stack. My expertise also includes SharePoint development, Shopify development, and advanced problem-solving with Java. I am committed to delivering high-quality results and making meaningful contributions to every project I undertake.

### EXPERIENCE

#### Kalvium, Bangalore

Technology Mentor and Developer (08/2023 - 04/2025)

- Collaborated with the product team to develop and test internal tools, providing feedback to improve platform features.
- Mentored students and new joiners by explaining development workflows, coding standards, and how to use the platform effectively.
- Conducted technical interviews, code reviews, and live sessions on full-stack development concepts and best practices.

#### Sakshath Technologies, Mumbai

Trainee Consultant SharePoint Developer (05/2023 - 08/2023)

- Gained expertise in Power Apps, Power Automate, and SharePoint to develop user-friendly solutions for business process automation.
- Designed automated workflows to enhance efficiency, reduce manual effort, and streamline data management.
- Contributed to a Vendor Management project, improving tracking systems and optimizing workflows.
